AMEND Senate Bill No. 3861*

House Bill No. 3967

by adding the following new section immediately preceding the last section and by renumbering the subsequent section accordingly:

SECTION _____. Tennessee Code Annotated, Section 7-86-108, is amended by adding the following language as a new, appropriately designated subsection:

(g) Effective January 1, 2007, notwithstanding the provisions of subsection (a) or any other law to the contrary, a residential subscriber of telephone services, commercial mobile radio services, and/or non-wireline services shall be assessed not more than one emergency service charge for all such services combined; and providers of such services shall not, either individually or collectively, levy multiple emergency service charges upon a residential subscriber who pays at least one emergency service charge. In accordance with the provisions of the Uniform Administrative Procedures Act, the emergency communication board, created pursuant to § 7-86-302, shall promulgate rules to implement and enforce the provisions of this subsection in an effective, efficient and equitable manner.
